**1. Brand New! - Motivation Breakthrough** - Motivation is the key to learning, but very few parents and teachers have an effective arsenal of techniques at their disposal. With empathy and understanding, backed by decades of experience in the classroom, Rick Lavoie gives parents and teachers the key to unlock any child's enthusiasm and responsiveness. The Motivation Breakthrough will revolutionize the way parents, teachers, and professionals reach out to and motivate all children.

**2. It's So Much Work To Be Your Friend** – This resource concentrates on teaching friendship skills to children with learning disabilities to use in the classroom, the home front and in the community.

**3. How Difficult Can This Be -the F.A.T. City Workshop** - A compelling demonstration of how intimidating the classroom can be through the eyes of a child with learning disabilities. In this unique workshop parents, teachers and other professionals participate in a series of classroom activities that cause frustration, anxiety and tension (F.A.T.), familiar to children with LD.

**4. Beyond F.A.T.City- A Look Back, A Look Ahead** - Building on the international success of *How Difficult Can This Be?* This program gives teachers and parents the opportunity to become involved in candid and thoughtful discussions on how to play a more effective role in the life of a learning disabled child. Includes Viewer's Guide to help stimulate discussion.

**5. Last One Picked...First One Picked On** – Playing with friends is a daily ritual for most children, but children with learning disabilities and poor social skills are often isolated & rejected. The making and keeping of friends, challenges confronting these children in their lives both in and out of the classroom, are examined.

**6. When the Chips Are Down-Strategies for Improving Children's Behaviour** - Richard Lavoie shows how preventive discipline can anticipate behavioural problems before they start and explains how teachers and parents can deal with problems quickly and effectively to create a stable, predictable environment in which children with learning disabilities can flourish.

**BOOK - Richard Lavoie - *It's So Much Work To Be Your Friend*** – offers practical advice to help learning disabled children successfully navigate the social waters of their school, home and community. The special social issues surrounding a wide variety of learning disabilities are discussed, with proven methods and step-by-step instructions for helping the LD child through almost any social situation. – Price \$29.95
